Unique Opportunity to Rapidly Increase Capital

Object: A set of properties with individual houses and parking spaces.

Completion Timeframe: Ongoing legal process (court procedures) Total Asking Price: €750,000 (includes all properties)

Individual house price: €125,000 each

Individual parking space price: €15,000 each

Market Price Estimates (Based on Similar Properties):

Individual houses: €165,000 to €520,000 each

Parking spaces: €15,500 to €18,000 each

Mortgage Status:

All properties are encumbered with a mortgage.

Legal Status:

The execution procedure is currently underway by the Court of First Instance and Instruction No. 3, Güímar.

1. Rental Option The properties can be used as rental assets, generating a rental yield, potentially up to 20% annual return, based on the rental market in similar areas.
2. Resale Option With a resale markup of 35–40%, the resale potential is as follows:

35% markup:

Individual House: $€125,000 \times 1.35 = €168,750$ per house

Parking Space: $€15,000 \times 1.35 = €20,250$ per parking space

Total Revenue from Resale:

Individual Houses (Based on 6 houses): $6 \times €168,750 = €1,012,500$

Parking Spaces (Based on 30 spaces): $30 \times €20,250 = €607,500$

Total Revenue: $€1,012,500$ (houses) + $€607,500$ (parking spaces) = $€1,620,000$

Expected Net Profit: $€1,620,000 - €750,000$ (initial investment) = $€870,000$

40% markup:

Individual House: $€125,000 \times 1.40 = €175,000$ per house

Parking Space: $€15,000 \times 1.40 = €21,000$ per parking space

Total Revenue from Resale:

Individual Houses (Based on 6 houses): $6 \times €175,000 = €1,050,000$

Parking Spaces (Based on 30 spaces): $30 \times €21,000 = €630,000$

Total Revenue: $€1,050,000$ (houses) + $€630,000$ (parking spaces) = $€1,680,000$

Expected Net Profit: $€1,680,000 - €750,000$ (initial investment) = $€930,000$
