exclusive offer

Strategic Location

1

Key Location

Corner of Fernandez Navarro Street and Tres de Mayo Avenue, in the heart of the commercial zone.

2

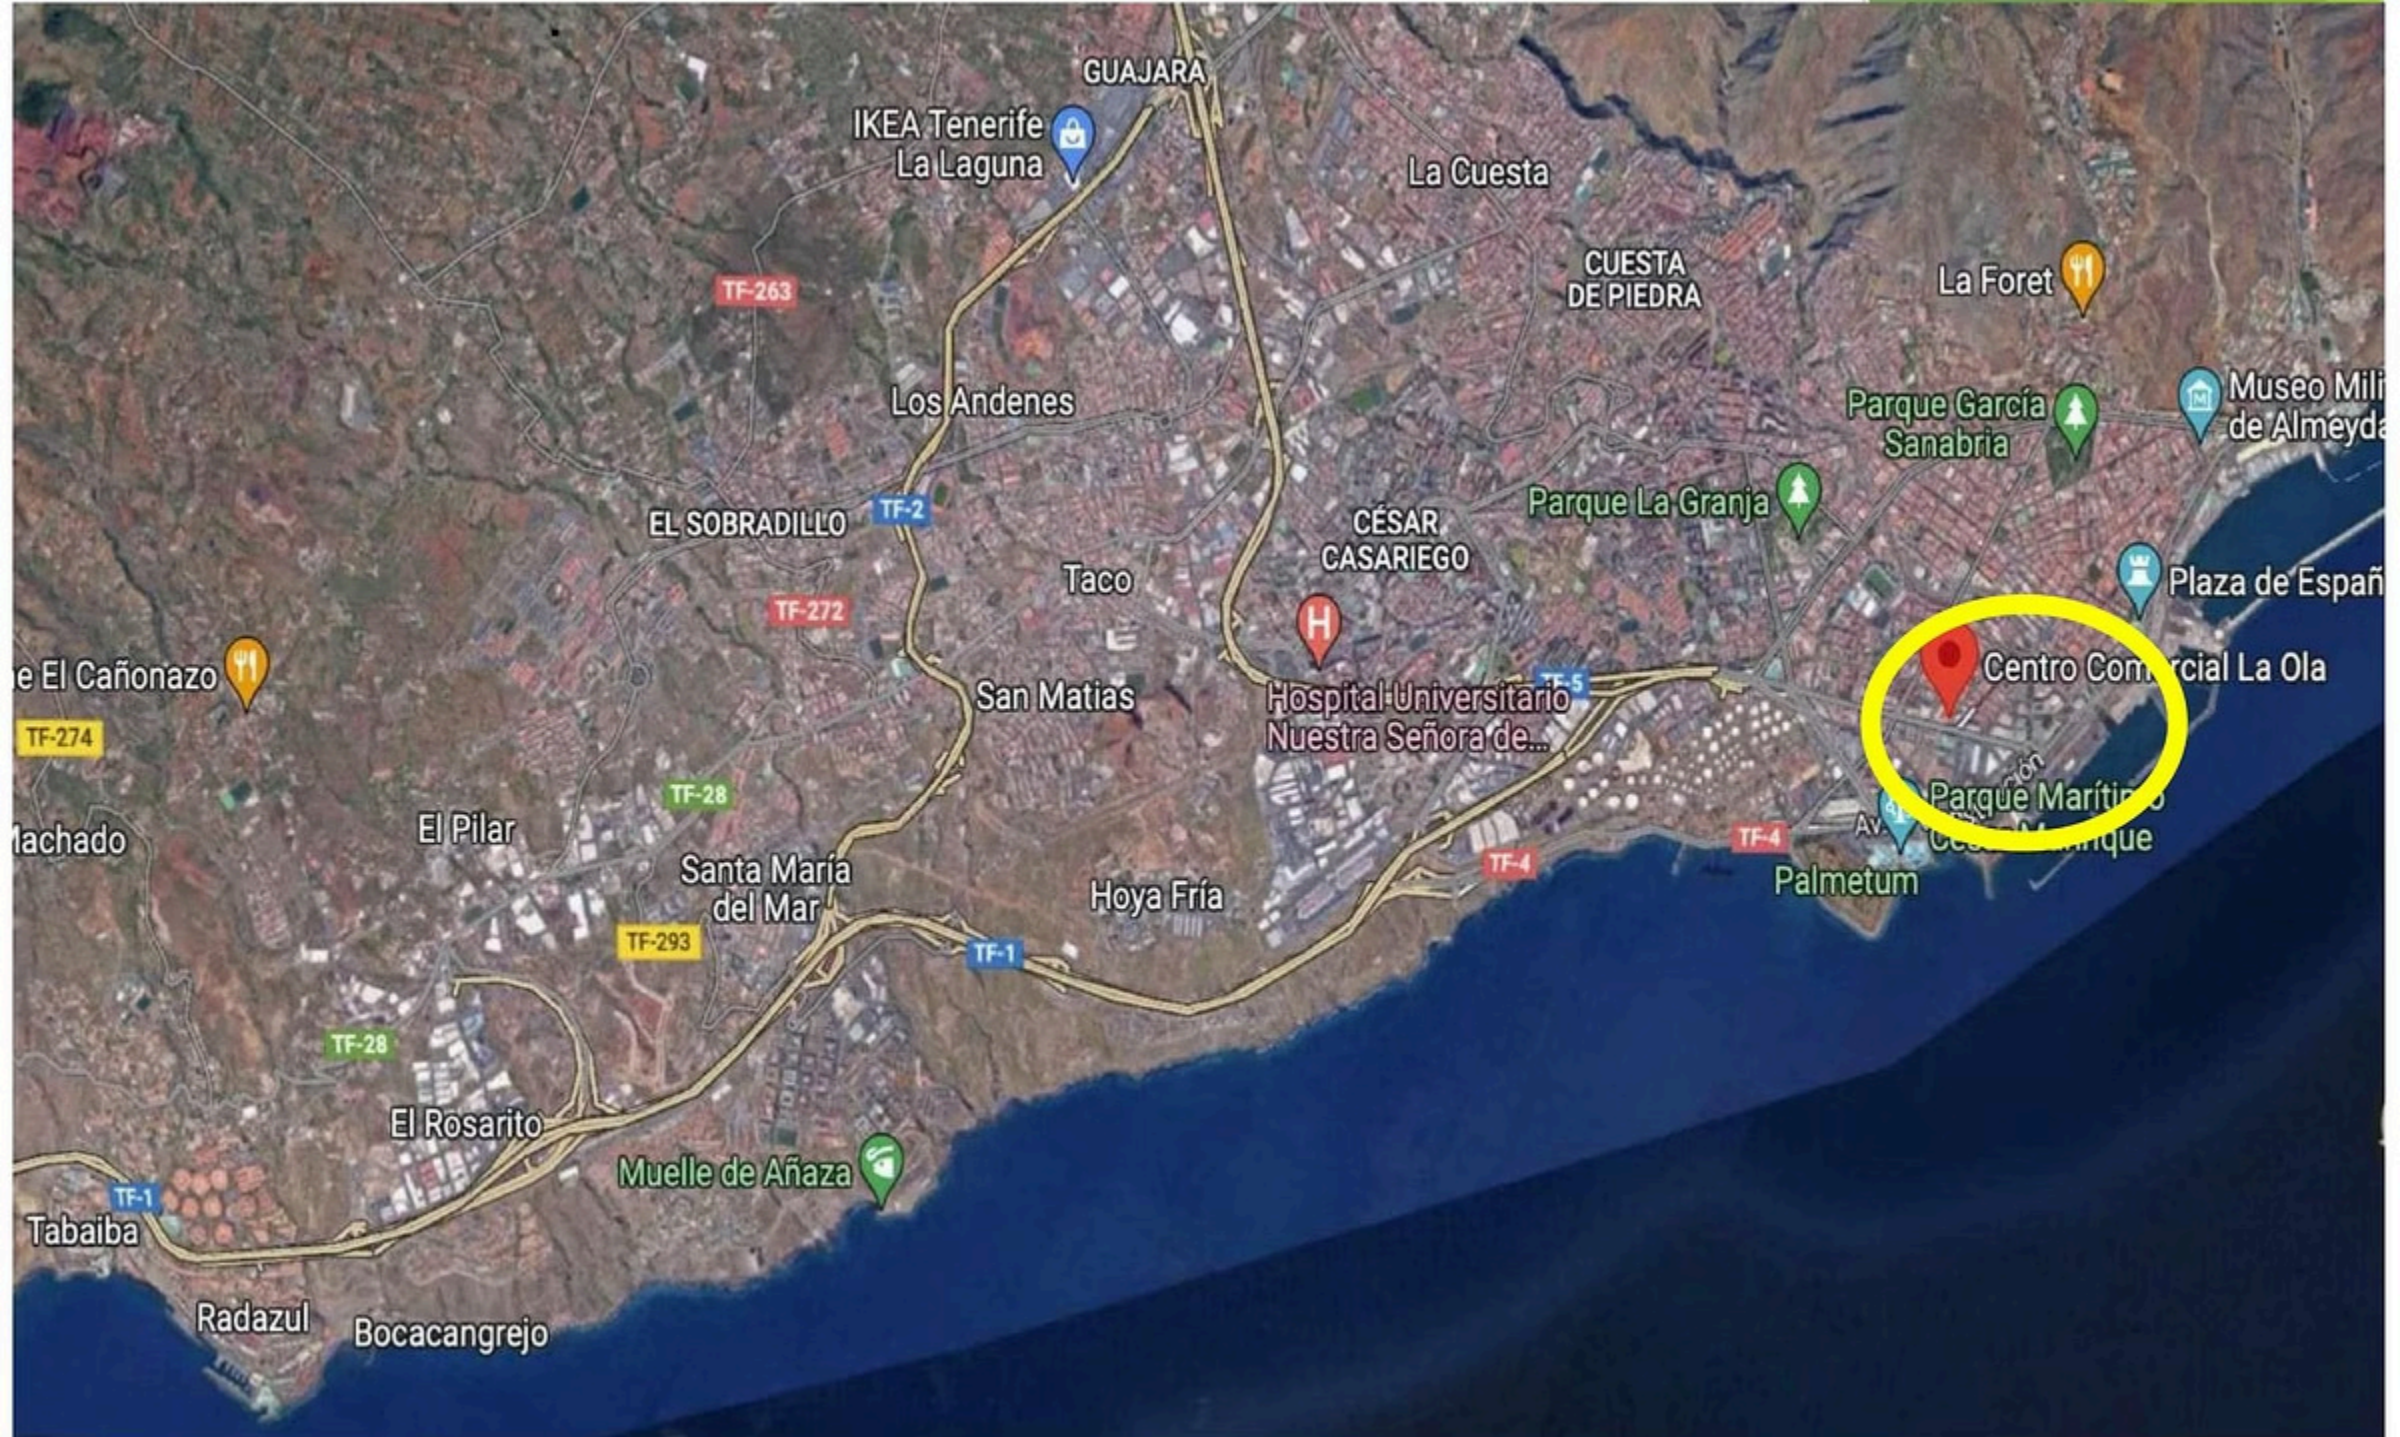

Excellent Accessibility

Superior connections by both public and private transport.

3

High Pedestrian Traffic

Located in an established commercial area with high population density.

Satellite View

The shopping center is located in the southeastern part of the island, in an area with high population income and limited parking spaces, which makes it a particularly valuable asset.
