**Second Floor**

# Property Features

## 1 Reception Area

A spacious and bright reception area creates a welcoming first impression for guests.

## 2 Convenient Services

On-site amenities include laundry facilities, modern restrooms, and reliable elevators, enhancing guest comfort.

## 3 Multi-functional Spaces

With 107 apartments and dedicated commercial areas, the property offers diverse revenue streams.

## 4 Leisure Areas

A solarium and pool provide guests with ideal spaces for relaxation and enjoyment.

# Recent Renovations and Enhancements

1

## Complete Modernization

The building has been fully renovated, providing guests with modern, high-quality accommodations.

2

## Upgraded Rooms

All 107 rooms feature the latest amenities, including new TVs, air conditioning units, and private terraces.

3

## Optimized Commercial Spaces

Approximately 800 m<sup>2</sup> of premium commercial space has been developed on the first floor.

4

## Enhanced Leisure Areas

The solarium and pool have been upgraded to meet guests' high expectations for relaxation and enjoyment.

# Revenue and Profit Potential

## Income from Commercial Spaces

Fully leased retail and dining areas on the ground floor generate an annual income of €60,000. The prime location supports strong tenant retention and provides room for future rent increases.

## Hotel Operations

With 107 modern rooms, the hotel offers competitive rates amid Tenerife's growing tourism market. High occupancy is anticipated due to its prime location and premium amenities.

## Overall Return on Investment (ROI)

Combined operations yield a steady return of 7.4% on a €28 million investment. There is potential for increasing ROI through effective management and market growth.
