

Unlocking Opportunity: San Isidro Residential Development

Discover a prime investment in Tenerife's growing residential market. This presentation outlines the compelling potential of an urban land plot in San Isidro, ideal for a lucrative apartment development.

Project Overview

Strategic Location & Key Specifications

The plot is strategically located in **San Isidro, Tenerife**, an area experiencing robust demand for modern residential units. Its accessibility and local amenities make it highly attractive for prospective tenants or buyers.

- **Plot Size:** 318 m²
- **Buildability:** Ground floor + 2 upper floors + rooftop

Optimized Design for Maximum Units

The proposed development plan maximizes the plot's potential, creating well-designed apartments appealing to a broad market. The flexibility for future expansion further enhances profitability.

1

Initial Configuration

Each of the three floors is designed to accommodate **3 apartments**, resulting in a total of 9 units. Each apartment will feature 2 bedrooms, optimized for comfort and market appeal.

2

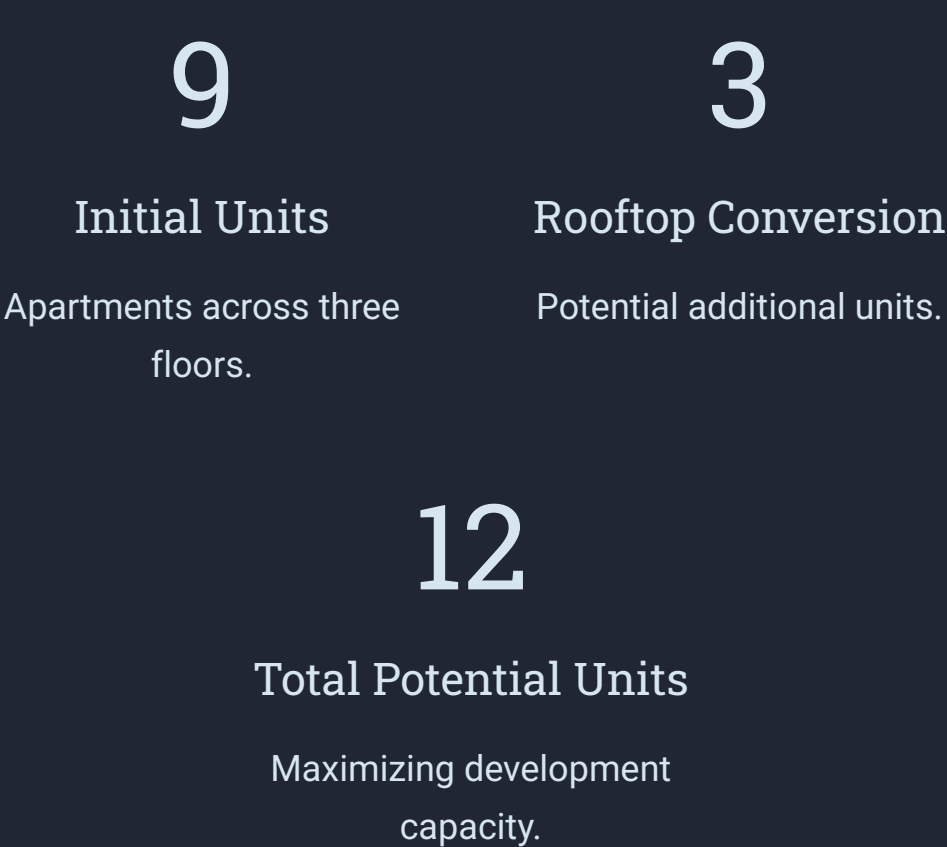

Future Expansion

The rooftop space, initially designated for utility washing rooms, presents an immediate opportunity for conversion into **3 additional apartments**, significantly boosting the project's overall yield.

Projected Unit Count & Apartment Sizing

With the planned conversion of the rooftop, the total number of apartments could reach **12 units**, offering substantial rental income or sales revenue.

The average apartment size of approximately **70 m²** aligns perfectly with market demand for spacious and functional living spaces in San Isidro.

Investment Snapshot: Unbeatable Value

Acquisition Price: €185,000

This competitive price point offers an exceptional entry into the Tenerife real estate market, promising high returns on investment given the location's appeal and the buildable area.

The affordability relative to potential unit output makes this a standout opportunity for savvy investors.
